Re: PCM Raleigh C&D Transfer Facility
Permit # 92-27T

Dear Mr. Mussler:

I am writing this letter to officially request an amendment to our Conditions of Permit, Item #2, regarding disposal sites for solid waste received at our location. Our current permit specifies Red Rock Disposal C&D Landfill as the only recipient of our solid waste. I'd like to amend that to include the following site(s) as well:

- ◆ Rowland Landfill
- ◆ Shotwell Landfill

We currently separate clean concrete, block and brick and dispose of these loads at Rowland. And, we may have a need in the future to dispose of some or all of our solid waste from this site at Shotwell.

I am hopeful this can be accomplished some time in the near future. Please let me know if you need any other information from me to help expedite this process.

Thank you very much for you time.

Sincerely,

Sparky Cullen
Chief Financial Officer
